13 Years of Feeding the Neighborhood!

For 13 years, we've come together to help local families celebrate Thanksgiving and enjoy a meal with loved ones. What started as a Pop-Up Pantry serving more than 1,000 families has grown into an even greater opportunity to support our community.

We are grateful for your continued support of the Flemington Area Food Pantry (FAFP).

The need continues to grow. In 2025, the Flemington Area Food Pantry recorded more than 21,000 visits and provided approximately 3,350 home deliveries to neighbors unable to visit in person. Hundreds of seniors also received support through community programs and pop-up pantries.

Our hybrid food drive will include virtual donations and in-person sorting and packing activities.
Walkers & Associates along with Roche Molecular Systems will provide the grocery bags, we would love your help filling them.

Thank you for helping make Thanksgiving special for local families. Together, we're doing more than providing food, we're strengthening our community and supporting neighbors when they need it most.
